

Encourage My Soul – Lyrics

Encourage my soul, and help me carry on

When the night is dark and I'm so far from home.

Thanks be to God, the morning light appears.

The storm is passing over, the storm is passing over, the storm is passing over
Hallelujah, Hallelujah, Hallelujah, Hallelu.....

The storm is passing over, the storm is passing over, the storm is passing over
Hallelu.

Thunder ro – lling and billows shake the ground,

See the lightning flashing and dark clouds all around,

He walked on the sea and calmed the angry waves.

The storm is passing over, the storm is passing over, the storm is passing over
Hallelujah, Hallelujah, Hallelujah, Hallelu.....

The storm is passing over, the storm is passing over, the storm is passing over
Hallelu.

Encourage my soul.
