

May You See Diamonds - by Ali Burns

May you see diamonds, may you see diamonds,
May you see diamonds, in the darkness of the night
(twice)

And may you shine, and may you shine, and may you shine among us
In every earthly eye
(twice)

May you hear angels, may you hear angels,
May you hear angels, in the darkness of the night
(twice)

And may you sing, and may you sing, and may you sing among us
In every earthly choir
(twice)
